

Simplest Toybag

How to get away with only having rope in the dungeon or in your bedroom

Presented by Lee Harrington - © PassionAndSoul.com

Ever tire of hauling around tons of toys? Ever consider just grabbing a few pieces of rope, and calling that your toybag? Now you can. From leashes to improvised whips, nooses and garrotes to gags to blindfolds, instant vibrator to genital torture device, rope has so many more possibilities to be used in a scene than just tying someone up! Learn some new tricks for an old friend, your favorite piece of rope. This will be a hands on class, so bring one 25-30ft piece of rope to play along!
